

Martock Dental Practice

Quality Family and Implant Dentists. Since 1977.

Private childrens price list**

Examinations

Dental examinations are a thorough examination of your whole mouth, including an assessment of your soft tissue and gum health.

Routine examination	£35
New patient examination	£52.50
Consultation	£52.50
Radiograph (Single film)	£15.75

Periodontal Health

Our Hygienists can assess, treat and monitor your periodontal health and help you maintain a high standard of oral hygiene by removing any plaque and calculus. Our Hygienist will also show oral hygiene techniques to assist you at home.

Routine childrens hygienist visit	£41.25
-----------------------------------	--------

Fillings

Once decay has been removed your Dentist will protect the tooth by placing a filling into the prepared cavity.

Deciduous tooth restoration	From	£85
Deciduous tooth fissure sealant	From	£50

Extractions

We try our hardest to save a tooth, however when this is not possible an extraction may be recommended.

Deciduous tooth extraction	From	£85
----------------------------	------	-----

**This price list refers to children under the age of 12 and treatment on deciduous teeth. For children over 12 years of age or treatment on permanent dentition please refer to the adult price list.

From as little as £5.75 per month your child can join our monthly payment plan and benefit from routine appointments and 10% discount from the private price list when treatment is recommended.
